POLICY & PROCEDURE**

**NUMBER: 13
VERSION: 3**

SUBJECT/TITLE: EMERGENCY OPERATIONS PLAN (DISASTER PLAN)

POLICY: The Emergency Operations Plan (EOP) is an all-hazards plan, based on the Hazard Vulnerability Analyses conducted by Olive View-UCLA Medical Center (OVMC). This plan will be compliant with National Incident Management System (NIMS) and Hospital Incident Command System (HICS) procedures. All OVMC personnel are to refer to the Emergency Operations Plan for guidance on emergency preparedness, response and recovery.

Copies of the Emergency Operations Plan are distributed to all departments. Updated pages will be prepared and distributed as necessary.

PURPOSE: To assure emergency management efforts are organized, disseminated, understood and appropriately executed by OVMC workforce members.

DEPARTMENTS: All

DEFINITIONS:

PROCEDURE: Refer to the OVMC Emergency Operations Plan.
