

DEPARTMENT OF HEALTH SERVICES
COUNTY OF LOS ANGELES

SUBJECT: FIRE ACTION PROGRAM

POLICY NO. 950

PURPOSE:: To establish contingency programs for response to fires.

POLICY:: Department facilities shall establish procedures to be followed in case of fires, and shall institute training of personnel. Such programs shall be instituted with the cooperation of local fire authorities to assure the safety of the facility and its patients and employees.

GUIDE:: Fire action programs shall meet all mandated requirements and include fire drills, fire reporting, use of first-aid fire equipment, methods of evaluation, or relocation of patients and visitors.

AUTHORITY:: California Public Safety Code, Title 19
Joint Commission of Accreditation of Hospital Requirements

EFFECTIVE DATE: Nov 24, 1975
