PURPOSE

To provide a safe and hazard free environment for patients, visitors and employees of Rancho Los Amigos National Rehabilitation Center and to encourage employee participation and involvement in the safety program.

POLICY

The Medical Center Safety Program shall be administered by the Safety Officer and the Environment of Care (EOC) Committee appointed by the Chief Executive Officer. Primary responsibility shall be to eliminate or reduce, to the extent possible, hazards to patients, staff and visitors so that services can continue to be provided in an efficient and economical manner.

The Chief Executive Officer has delegated authority to the EOC Committee so that, through the Safety Officer, action can be taken when conditions exist that pose an immediate threat to life or health or pose a threat of damage to equipment or building. The Medical Center Safety Manual shall be available in all departments and services at this facility.
