Policy No.: 101.1
Reviewed: Nov 2021
Supersedes: June 2018
Page: 1 of 1

PURPOSE: To express the vision of the Physical Therapy Department of Rancho Los Amigos National Rehabilitation Center.

The vision of the Physical Therapy Department is:

- Services will be in high demand by stakeholders because of the superior quality, cost effectiveness, and data driven patient-centered outcomes.
- Services and deliver models will be innovative, forward-thinking, adaptable, and will drive and respond to local and national changes in health care.
- Positions for employment within the Physical therapy Department at Rancho Los Amigos National Rehabilitation Center will be highly sought after because of the high level professional autonomous practice, opportunities for professional development and association with premier master clinicians, researchers, educators and managers.
- Rancho's Physical Therapy staff will be recognized as leaders in Physical Therapy profession and the rehabilitation community.
- Decisions in all areas of operations will be informed by appropriate data collected and analyzed by contemporary information systems.
- Physical Therapists and Physical Therapy Assistants will provide culturally competent care distinguished by trust, respect, and an appreciation for individual differences.
- The Physical Therapy Department will champion collaboration with other clinical and scientific disciplines to advance rehabilitation and patient care.

Director, Physical Therapy Department
