POLICY

Drug incompatibility information can be obtained by calling the respective pharmacies. The pharmacist shall answer the question in a prompt manner, after consulting the various references that are available in the Inpatient Pharmacy and Outpatient Pharmacy.

PROCEDURE

Drug incompatibility questions should be addressed to the appropriate pharmacy which services that area. Upon receipt of a drug incompatibility question, the pharmacist shall consult the various references available to find an appropriate answer and answer back promptly. Various references are available as hard copies as well as on Rancho's intranet (Micromedex), and on the internet.
