POLICY

Medications are to be prescribed by State of California licensed physician staff, physician residents and dentists, as well as nurse practitioners, clinical pharmacist and physician assistants, who are authorized based on protocols included in the RLANRC Interdisciplinary Practice Committee Standardized Procedure Manual. All persons authorized to prescribe are to be employed by the Department of Health Services, County of Los Angeles.

Clinicians' orders received by the Department of Pharmacy follow the Rancho Los Amigos National Rehabilitation Center Professional Staff Rules and Regulations. A current copy of this manual is available in the Pharmacy Directors Office.
