POLICY

1. Pass medication prescriptions are to be e-prescribed by the provider. These prescriptions are to be e-prescribed to the Rancho Outpatient Pharmacy at least two days in advance of the pass.
2. The Rancho Outpatient Pharmacy may issue enough medication for two four hour passes and one overnight pass during an average 4-6 week hospital stay, the exceptions being controlled substances; antibiotics, and any other medication where the prescriber has specified a precise quantity.
3. Prescription format and label will follow as stated in Policy 2.02.0 and 2.03.0.
