

Department of Facilities POLICY AND PROCEDURE

POLICY NUMBER: 490
VERSION: 2

SUBJECT: DENTAL POSTS

POLICY:

The dental posts will be inspected and serviced on a regular basis, as per manufactures specifications and the Preventative Maintenance Program.

PURPOSE:

To ensure the safe and reliable operation of all the dental posts.

PROCEDURE:

The plumbing shop will perform corrective and preventative maintenance on dental posts to ensure reliability.

All dental posts are to be checked regularly, to ensure that they have an adequate supply of medical air, oral vacuum and water.

- Medical air is monitored by alarm panels in the dental area.
- Oral vacuum is monitored by an alarm panel in the dental area.
- Water to the dental posts is to be checked every month, to ensure that it has an adequate supply.
- Drains are checked to ensure that they are flowing with no restrictions.
