PURPOSE:

The purpose of this policy is to establish Departmental policy regarding non-County funding of programs.

POLICY:

In an effort to minimize the impact of Department operations on the local tax rate, the Department shall maximize the use of Federal, State, and other funds available for health care programs.

The Department shall comply with all Federal and State regulations regarding the use of non-County public funds in local programs. In addition, the Department shall vigorously pursue the use of grant funds, both public and private.

REFERENCE(S)/AUTHORITY:

California Government Code
 California Health and Safety Code
 California Welfare and Institution Code

The mission of the Los Angeles County Department of Health Services is to ensure access to high-quality, patient-centered, cost-effective health care to Los Angeles County residents through direct services at DHS facilities and through collaboration with community and university partners.
