## OLIVE VIEW-UCLA MEDICAL CENTER DEPARTMENT OF PATHOLOGY POLICY & PROCEDURE

NUMBER: 1478 VERSION: 2

SUBJECT/TITLE: ADM 10.0: DESIGNATION OF SUPERVISOR WHILE IN TRAINING

**POLICY:** Whenever a Clinical Pathology employee is assigned to participate in any training

program within the Department of Pathology (i.e. basic orientation and training; refresher training; in-service training; continuing education training, etc.), the trainee is under the jurisdiction and supervision of the supervisor in whose section

they are currently being trained for the duration of the training process.

The trainee is accountable to this section supervisor for his/her behavior and performance and this section supervisor *is* accountable for all duties and responsibilities of supervision including but not limited to: giving directions, assignments, counseling, discipline, and providing input into the trainee's

performance evaluation.

**PURPOSE:** To define to whom a trainee reports while training in a different laboratory section

than to which (s)he is normally assigned.
