

**OLIVE VIEW-UCLA MEDICAL CENTER
POLICY & PROCEDURE**

**NUMBER: 322
VERSION: 3**

SUBJECT/TITLE: **CONSENT FOR CARE BY VISITING PHYSICIANS REGISTERED
UNDER SECTION 2113**

POLICY: Olive View-UCLA Medical Center shall obtain a signed statement from any patient or patient’s legal representative whose care may be provided by a physician with a State of California Business and Professions Section 2113 registration which acknowledges that the patient understands that the services will be provided by a person who does not hold a physician and surgeon’s certificate.

PURPOSE: To assure that patients evaluated or treated by persons in accordance with Section 2113 are informed about and consent to evaluation and treatment by such persons in advance.

DEPARTMENTS: All

DEFINITIONS: Section 2113 is a provision of the California Business and Professions Code that allows for a person certified by the Medical Board of California to engage in the practice of medicine only to the extent that the practice is incidental to and a necessary part of his or her duties in connection with a full time medical school faculty position.

PROCEDURE: Olive View-UCLA Medical Center shall obtain a signed statement providing that:

"I understand that [medical services] may be performed by a person who does not hold a physician's and surgeon's certificate but who is qualified by the Medical Board of California to participate in a special program as a visiting professor or faculty member."

This signed statement shall be obtained from any patient or patient’s legal representative at the time of registration to an applicable care setting where a person who does not hold a physician’s and surgeon’s certificate but who is qualified by the Medical Board of California to participate in a special program as a visiting professor or faculty member may provide medical services to patients.
