Subject: PHARMACOLOGY FOR THE LVN – RN OPTION II (30 UNIT) STUDENT	Original Issue Date: November 6, 2003	Policy #: 712
	Supersedes: November 6, 2003	Effective Date: April 25, 2011
Committees Consulted: Dean, Administrative & Student Services Admissions/Promotions Nursing Practice	Reviewed & Approved by: Semester Coordinators Faculty Organization	Approved by: Dean, School of Nursing (Signature on File)

PURPOSE:

To provide an opportunity for LVN-RN Option II students to enhance their pharmacology knowledge.

POLICY:

Students enrolled in the LVN-RN Option II program (30 unit option) may enroll in the third semester pharmacology course N231 (one unit). This course is not mandatory for LVN Option II students.

The course may be taken for a grade or credit/no credit.

Tuition will be charged.

Students who enroll in the course are responsible for completing all course requirements.

PROCEDURE:

Dean, Administrative and Student Services/designee:

- Informs all LVN-RN Option II students about the course, available options, and requirements
- Identifies students who enroll in the course and the chosen grading option (grade or credit/no credit) on the class roster
- Gives the class roster to the Semester 3 Coordinator.

PROCEDURE DOCUMENTATION:

Class Roster
