SCHOOL OF NURSING

PROGRAM OBJECTIVES

Upon program completion, the student, as an entry level registered nurse provides and manages nursing care:

1. Applies the nursing process in safely caring for clients across the health-illness continuum throughout the life span in a variety of healthcare settings.
2. Communicates effectively and appropriately when interacting with individuals, families, groups, communities, colleagues, and all other healthcare disciplines to achieve optimal health outcomes.
3. Collaborates with individuals, families, groups, community, colleagues and all other health care disciplines to achieve quality outcomes in a cost effective manner.
4. Demonstrates leadership, accountability, and advocacy within legal, ethical and professional standards as a professional nurse and as a contributing member of society.
5. Formulates individualized client care plans using critical thinking skills based upon relevant scientific knowledge, and evidence based practices, and interpretation of clinical information in the provision of nursing care.
6. Educates client/family to promote preventative and restorative health measures.
7. Demonstrates awareness and respect for diverse sociocultural values and beliefs.
