

DEPARTMENT OF HEALTH SERVICES
COUNTY OF LOS ANGELES

SUBJECT: COMMUNITY RELATIONS

POLICY NO. 401

PURPOSE:: To establish continuing dialogue with the communities served by the Department.

POLICY:: The Department and its management shall foster and maintain open channels of communications with communities and interested groups of citizens served.

This policy applies to all levels of the Department's organization and shall serve as a method of obtaining community input. Positive response by Department personnel should enhance the overall delivery of health services within the County.
