

DEPARTMENT OF HEALTH SERVICES
COUNTY OF LOS ANGELES

SUBJECT: ENERGY CONSERVATION

POLICY NO. 970

PURPOSE:: To reduce consumption of scarce natural resources and to lower operating costs of the Department.

POLICY:: The Department is committed to a significant effort to reduce energy use. The Department's consumption goal shall be a reduction from the 1972-1973 fiscal year in the following areas:

1. Kilowatt consumption in all Department facilities.
2. Natural gas in Department operated installations.
3. Gasoline, butane and other petroleum by-products.

EFFECTIVE DATE: Nov 24, 1975

SUPERCEDES:

APPROVED: Signature on File
